THE GREAT REMEDY V. H. Smith & Co.'s FEVER AND AGUE C. RE, JEFFERSON STREET, OPPOSITE OWEN'S HOTEL,

**HHE p-prietor of this invaluable preparation have been induced by the unprecedented an come and uncessing demand it has a civility, to flurp, at a heavy expense, an establishment for its manufacture alone and hey are new prepared to fill all orders with dispatch to any part of the globe. It was of puffing, as all we ask is to give it a fair trial. We could publish hundreds of certificates and letters in regarding its efficacy, voluntarily sent to us by those whom it has relieved; but the few that we offer, which may be called home testimony, we deem autholost. Cases of twelve and eighteen months standing have been permanently relieved by this medicine whe all the usual rew edies had failed. We do not offer that a cute for everything but for Fever and Age, Chills, Night Sweats and Nervous Debility, we do recommend it as a certain remedy. It may be given to infants with perfectance, as it contains nothing but what is purely vegetable, attempthening and invigorations to the cystem.

READ THE POLLOWING CERTIFICATES

LONDON, LAUTELSON, Nev. 1, 1855.

Mysses, V. H. Smith & Co.—Last month, when on a visit to Louisville, having been afflicted with the Chills and Faver for six w.eks, and finding no relief in the various remedies that I took, I was induced to give your Fever and Ague Cura a trial and in two days missed the chill and have been improving daily since: nor do I think that the disease will return on me I would carnestly recomment this invaluable preparation to all those who are afflicted with Fever and Ague or Chills. Yourstruly, JOHN A. CANAFAX.

I hereby certify that during the past summer I resided with my 'ami'y on Fi th street, near Broadway, in the city of Louisville, Ky., where myself and three of my some were afflicted with Chills and Fever. We tried the usual remedies, such as quinine, etc., without getting relief, when Smith & Oc. 's Fever and Ague Cure was recommended to me, and I commenced using it, and in a few days we were all relieved. I cheerfully recommend it as a certain, eafe, and speedy cure for that discressing disease I regard it as the best medicine for the disease ever offered to the public.

Given under my hand this 23d day of October, 3855 Louiville Ky.

Personally appeared before the undersigned W. A. Lytand made oath that the statements set forth in the foregai certificate are all true. Given under my hand this 23d day? brober 1855
